100+ years of leadership and service

Mar Gregorios Orthodox Christian Student Movement is the student wing of the Malankara Orthodox Syrian Church. Started in 1908, MGOCSM has now crossed the golden mark of one hundred years in history. A small fellowship of students and senior friends formed in Madras opened its way to the Syrian Student Conference and later it assumed the present name MGOCSM.

The first meeting in Balikamadom was presided by Vattasseril Geevarghese Ramban (St. Dionysius). The blessed memory of Mar Gregorios and the great vision of Mar Dionysius had lifted the Movement to lead and serve the Church and the student community in particular. The Movement has grown in size, strength and service.

The Centenary Celebrations have touched all segments of the society and endorsed the priorities of the Movement. The works of Orthodox Study Bible and CHAIROS - Centenary Building Complex have reached the final stage.

The Movement provides scholarship and financial assistance to the needy students. Many professional students are now benefitted by the financial assistance scheme to continue their studies.

MGOCSM has selected 100 students from different dioceses and committed to provide the best education to these children who come from low income families. As they are talented, highly promising and scoring 80+% in their examinations, the movement is now ready to promote their studies.

MGOCSM has appointed priests and spiritual workers to look after our students and youth in the cities of outside Kerala. The priests visit the campuses, meet the students, organise prayer meetings, lead study classes, provide counselling sessions and celebrate Holy Qurbana using the facilities available there. Bangalore, Mangalore, Manipal, Chennai, Coimbatore, Tumkur, Davangere, Kolar and Pondicherry are now covered by our chaplaincy services.

The Movement has opened an office to co-ordinate the activities of the youths who are born and brought up in outside Kerala dioceses. MGOCSM has provided the Church with able and outstanding leadership along with committed men and women for its service. MGOCSM needs more prayer, support and dedicated youngsters to continue its work.
